DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby <sup>deny</sup> ~~grant~~ the same, subject to the following limitations and conditions:

Applications 15331 and 15332 are hereby denied on the grounds that the applicant has not submitted the information requested by the State Engineer's Office and, therefore, the granting of said applications without the additional information requested would not be in the public interest. No finding is made on the protests.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before
